Polite Society doesnâ€™t take Lady Anne Adamson seriously. However, Anne isnâ€™t just another pretty young miss. When she discovers her father betrayed her motherâ€™s love and her family descended into poverty, Anne comes up with a plan to marry a respectable, powerful, and honorable gentlemanâ€” a man nothing like her philandering father.

Armed with the heart of a duke pendant, fabled to land the wearer a dukeâ€™s heart, she decides to enlist the aid of the notorious Harry, 6th Earl of Stanhope. A scoundrel with a scandalous past, he is the last gentleman she'd ever wed...however, his reputation marks him the perfect man to school her in the art of seduction so she might ensnare the illustrious Duke of Crawford.

Harry, the Earl of Stanhope is a jaded, cynical rogue who lives for his own pleasures. Having been thrown over by the only woman he ever loved so she could wed a duke, heâ€™s not at all surprised when Lady Anne approaches him with her scheme to capture another dukeâ€™s affection. Heâ€™s come to appreciate that all women are in fact greedy, title-grasping, self-indulgent creatures. And with Anneâ€™s history of grating on his every last nerve, she is the last woman heâ€™d ever agree to school in the art of seduction. Only his friendship with the ladyâ€™s sister compels him to help.

What begins as a pretend courtship, born of lessons on seduction, becomes something more, leaving Anne to decide if she can give her heart to a reckless rogue, and Harry must decide if heâ€™s willing to again trust in a ladyâ€™s love.
