Thanks to her older siblings, Lady Penelope Tidemore is no stranger to scandal. In order for her to make a good match, her secret longings for intrigue and romance must be quelled. Yet it is through terrible mischance that Penelope is caught in a compromising positionâ€”however innocentâ€”with the darkly enigmatic viscount Ryker Black.

Mr. Black is no gentleman. Raised from the streets and proprietor of the most notorious gaming hell in London, Black lives in a world filled with debauchery and danger. Taking a Society wife from the very ton he despises is not part of his plan, even if the innocent Penelope turns his blood hot with desire.

But Penelope isnâ€™t afraid of Mr. Black, and she soon discovers that his reputation as a scoundrel may be designed to hide a surprising vulnerability. As this unlikely husband and wife grow closer, they learn that what started as chance could end up sealing their fates.
