An invaluable tool for students preparing to take the NEW SAT exam

More than 3 million SATs were administered in 2002. Beginning in March 2005, the SAT will undergo the most dramatic change in its 76-year history. The total score possible will increase from 1600 to 2400; analogies will be dropped from the format; and, most radical of all, a new SAT essay writing component will be added. SAT reading and writing scores play a crucial role in the college admissions process. The new writing exam places increased emphasis on these skills. SAT 2400! is designed to give students a jump-start on preparing for this critical test. The author, an award-winning English professor, provides students with clear and complete instructions for taking--and acing--the new exam. SAT 2400! features:

Detailed explanations of the new and revised English portion of the test
Surefire tips and strategies for successfully taking the new SAT
